

Carolyn Potopchuk

I am a self-taught artist concentrating on landscapes painted in oil. I have been painting for 30 years. The scenes depict my love of the outdoors and places traveled, which have special meaning to me. I continue to learn new techniques trying to capture the beauty that nature intended.

You may see more of my original oil paintings now available as note cards and prints at

www.etsy.com/shop/ThePeacefulEasel or contact me at ThePeacefulEasel@gmail.com or 716-570-6325 regarding my work.
